Microsoft Office 365 Overview

Insight

Why Insight for Microsoft Office 365?

Insight is Microsoft's largest global Licensing Solution Provider (LSP) and has been providing Microsoft® solutions for more than 25 years. As one of the first Microsoft LSPs and enterprise software advisers, we put Microsoft at the center of our end-to-end strategy to help businesses run smarter. We collaborate to deliver Intelligent Technology™ solutions that meet your strategic business needs and optimize your technology investments.

- 7+ million Microsoft cloud seats sold
- 5 million Exchange mailboxes migrated
- Complimentary onboarding
- Packaged and customized deployment services

Insight is your expert connection to Microsoft solutions that help your business run smarter.

How Microsoft Office 365 will help your business

Employees can work from anywhere, at any time, on any device with Microsoft's suite of cloud-based business productivity tools. With email, instant messaging, social networking and videoconferencing, you'll benefit from best-in-class collaboration and communication tools.

Office 365™ streamlines teamwork like never before. Providing 1TB of storage per user, there's plenty of space for your files. Your team can easily stay in sync with file sharing, multiparty HD video and shared calendars. You'll also benefit from:

- Verified compliance for major industry standards
- Built-in enterprise-grade user and admin security controls
- 99.9% uptime with a financially backed guarantee
- Reliable upgrades and system support
