

Office 365 Free Migration Offer Details

Insight will offer free migration services through CSP licensing program to set up Office 365 within the organization

- **Clients group size: 50 seats to 1,000 seats**
- **Clients currently not using Office 365—must be Net New customer to Office 365 (49 or less previously active seats)**
- **Migration Services offer savings up to**
 - \$12,500 for 50 to 249 seats
 - \$20,000 for 250 to 499 seats
 - \$30,000 for 500 to 999 seats
- **Supports clients looking to do a complete cutover or hybrid**
 - Cutover: All users required to move to Office 365
 - Hybrid: Does not require that all users move to Office 365, but does require a minimum of 250
- **Office 365 Exchange Migration Includes**
 - Enable Azure Active Directory Connect with password sync
 - Configure Client domain
 - Identify and configure Administrator and User roles and policies
 - Migrate Exchange mailboxes, Contacts and calendars to Office 365
 - Migrations from Gmail include email only (no calendar/contacts)
 - Assign licenses to users
 - Provide Administrative Console Training (1 hour)
- **General Assumptions (Restrictions)**
 - Each Party agrees that personnel will not be asked to perform, nor volunteer to perform, engineering and/or consulting tasks that lie outside the skill sets and experience of personnel. Personnel have the right to decline a service request if the request falls outside the scope of this service.
 - For hybrid migration, must have Exchange 2010 SP3 or later
 - Only migration of email is included.
 - Outlook 2013 or greater (Outlook 2010 may work but is not supported)
 - This offer is only available for the following products:
 - Enterprise Plan E1
 - Enterprise Plan E3
 - Enterprise Plan E5
 - Enterprise Plan F1
 - M365 Suites - E3/E5/Business
 - Office 365 Business Essentials
 - Office 365 Business Premium
 - Exchange Online Plan 2
- **The following are considered out-of-scope and are not part of the Services:**
 - Setup of any end user devices
 - Desktop-level configuration changes
 - Enabling RPC over HTTP
 - Setup of Active Directory Federated Services
 - Formal user training
 - Notes and GroupWise migrations are not included
 - Migration of Public Folders (Can be purchased separately)
 - Migration of any email archive
 - No Azure Active Directory Connect filtering included
 - Use of 3rd party Migration Tools
