

The new Surface Pro

The most versatile laptop

A device with the versatility to let you work on your own terms. The new Surface Pro gives you everything you need in terms of performance, mobility, security and reliability. A best-in-class laptop with the creative freedom of a studio, and the convenience of a tablet. All in one.

What it means for your business

Modernize your business

With a core, connected device that will enable digital-first workflows, streamline tasks, and help you project a modern face to your customers. Surface is easy to deploy and manage, and comes standard with enterprise-grade security.

Empower your employees

Seize the power of the group with superior collaboration tools and features. Exceptional power and performance lets your employees capture great ideas on the go.

Attract and retain talent

With meticulously designed, premium devices that can be personalized in a range of rich colors¹.

Discover the new Surface Pro

Uncompromising mobility

Now supported by LTE connectivity², up to 50% more battery life³ than Surface Pro 4, and an ultra-light design, the new Surface Pro redefines mobile working. Work from virtually anywhere.

Exceptional power and performance

The new Surface Pro gives you the power to run all the applications you rely on. Experience up to 20% more performance than Surface Pro 4 thanks to the latest, powerful Intel® Core™ processor and bring your ideas to life with the stunningly responsive PixelSense™ Display.

The best of Microsoft at your fingertips

Choose the laptop with all of your familiar Office 365⁴ applications and Windows 10 security you and your customers can depend on. Enjoy fast, secured, password-free sign-in with Windows Hello. Surface Pen⁴ and Surface Dial⁴ help you make the most of the full, interactive Windows experience.

Make it your own

Reflect a premium, professional image with the new Surface Type Cover⁴, featuring luxurious Alcantara® fabric in a choice of rich colors¹. Complete the impression with new Surface Pen⁴ and Surface Arc Mouse⁴ in matching colors¹.

microsoft.com/en-ca/devices/business

- 1 Available colors vary in some markets.
- 2 LTE availability varies by market; check with service provider for details.
- 3 Up to 13.5 hours of video playback. Testing conducted by Microsoft in April 2017 using preproduction Intel® Core™ i5, 256 GB, 8 GB RAM device. Testing consisted of full battery discharge during video playback. All settings were default except: Wi-Fi was associated with a network and Auto-Brightness disabled. Battery life varies significantly with settings, usage, and other factors.
- 4 Sold separately.
- 5 System software uses significant storage space. Available storage is subject to change based on system software updates and apps usage. 1 GB=1 billion bytes. See Surface.com/Storage for more details.
- 6 In the US, warranty terms vary by market.
