

# Microsoft Windows 11 Technical Assessment

Improve your IT infrastructure and security with Windows 11 Pro.

## What is Windows 11 Pro?

- Microsoft® Windows® 11 Pro is the latest version of the popular Operating System (OS).
- It offers a new user interface, enhanced performance and security, and features to improve productivity, creativity, and collaboration.

## Why upgrade to Windows 11 Pro?

- **Microsoft ends support for Windows 10 on Oct. 14, 2025.**
- Windows 11 Pro is more focused on security, with increased account and credential security and features like Smart App Control.
- Windows 11 Pro lets you work smarter and faster, with features like snap layouts and snap groups.
- Windows 11 Pro keeps you connected at work, with the integration of Microsoft Teams® and Microsoft Copilot.
